CAAP Montérégie is delighted to invite its partners and the general public to an Open House at its new premises, located at 383, boulevard du Séminaire Nord, Suite 212, in Saint-Jean-sur-Richelieu. The event takes place on October 29, from 1 to 4 p.m. Guests will be able to chat with the Center's advisors and learn more about the services offered. A light snack and refreshments will be served.

CAAP's mission is to support people who encounter issues with their lease or who may be dissatisfied with services received in a private seniors' residence (PSR), or with a health or social service they have received, or should have received. CAAP services are confidential and free of charge.

With requests for information and support constantly on the rise, CAAP Montérégie recently moved into offices to better welcome and inform the population. Four other service points in the Montérégie region offer the opportunity to meet a CAAP counsellor by appointment: in Longueuil, Saint-Hyacinthe, Belœil and Vaudreuil-Dorion.

"We welcome anyone wishing to learn more about their rights. CAAP counsellors listen to support each person with attentiveness, rigour and kindness. The Open House event is an excellent opportunity to come and meet us, ask your questions and discover our services. Everyone is welcome," says Myriam Noiseux, the organization's Executive Director. An event you don't want to miss!
